Preface

This workbook was prepared some years ago by Shankar, who was at that time principal of the Satyalayam School, Pondicherry.

As we have found the workbook useful for our students we were eager to reprint it. Since it was not possible to contact Shankar, we have taken the permission of his colleague, B. Ramdas to reprint the book. We are grateful to Ramdas, and happy that Shankar's work can reach more students.

This book will be made available on a non-profit basis to students of the Pragat Shikshan Sanstha's Kamala Nimbkar Balbhavan and to others who are interested.
